

Financial Analyst

Job Title: Financial Analyst

Location: [City, State] | [Remote/On-Site]

Job Summary: We are seeking a Financial Analyst to perform financial analysis, create reports, and provide insights to support business decisions. The ideal candidate will have experience with financial modeling, forecasting, and data analysis.

Key Responsibilities:

- Conduct financial analysis and develop financial models to support business planning.
- Prepare and analyze financial reports, including P&L statements, balance sheets, and cash flow statements.
- Identify trends, variances, and opportunities for cost reduction and revenue enhancement.
- Collaborate with departments to gather financial data and provide recommendations.
- Ensure compliance with financial regulations and accounting principles.

Qualifications:

- Bachelor's degree in Finance, Accounting, or related field.
- 3+ years of experience in financial analysis or a related role.
- Proficiency in Excel, financial modeling, and data analysis tools.
- Strong analytical, problem-solving, and communication skills.
